- ***Save and keep the confirmation email till the end of the school year***

You are
ready to go !

Thank
you 

Common Technical Questions (1)

- Do the transactions made by credit card stay secure?

 Secure | <https://secure.authorize.net/gateway/transact.dll>

A> Yes. We use Authorize.net as our payment gateway provider, which is one of the safest gateways out there. All transactions are made through SSL secure channel and we never store your credit card information.

Common Technical Questions (2)

- There are multiple charges on my credit card!
What should I do?

A> Take it easy. When you run into errors during enrollment, refresh web pages after payment is submitted, and etc., Authorize.net may place a pending charge on your account. Usually, pending charges are removed from your account in about three business days.

However, if your credit card is eventually charged multiple times, you may contact Hua Xia school office. Once your multiple charges are verified, we'll refund your payment(s). You don't have to file any dispute with your credit card company.

Common Technical Questions (3)

- I can't find Profile settings menu on my home page

A> The menu bars may have been docked in the upper left corner of the web browser. Please click on them to undock the menus

Common Technical Questions (4)

- Do you take Discover or American Express?

A> No, Visa and MasterCard only.
